

Prince William County Clerk's Loose Papers

Quantico Va.
December 12, 1913

To The Board of Supervisors of Stafford and Prince William Counties

The undersigned commissioners appointed to advertise for construction of a thirty foot span steel bridge across Chappawamsic Creek, on the Telegraph Road, between the Counties of Stafford and Prince William, according to plans and specifications furnished us by the State Highway Commissioners, beg to make the following report: That after giving due notice, we received three bids. One from The Virginia Bridge and Iron Company for \$2284.00 for bridge complete. One from John R. Tillett for \$395.00 for bridge complete less the abutments, and one from George Muddiman for the abutments for \$760.00: We recommend that Mr. Tillett and Mr. Muddiman's bids be accepted.

Respectfully Submitted
