

Prince William County Virginia  
Business and Occupation Licenses  
1800-1899

The following is a list of physicians and when they paid a business tax to practice in the county. Some licenses have been lost or destroyed so this is not a complete list, only the ones available today.

Physicians

|                                    |                                 |
